Continue on: Continue the pattern of repeating Row 2, Row 2, Row 3, Row 3, until you reach your desired length. Finish off and weave in ends.

Fringe:

Cut equal sized pieces of yarn, approximately 10 inches long. Working with two strands at a time, fold the strands in half and pull the loop through an end stitch of the scarf, then pull the ends of the fringe tightly through the loop. Repeat as desired. Trim fringe so that it is even.
