

Flower Hair Clips

Free Crochet Pattern Courtesy of [Oui Crochet](http://www.ouicrochet.com/)

Supplies:

size 5 steel crochet hook

one skein of embroidery thread for each flower you want to make

Small hair clips

hot glue gun (& glue, of course)

Patterns:

Flower A:

(the pink and the purple one)

For the base:

Ch 4. Join with slip stitch to the first ch to form a ring.

Round 1: Ch 1, 10 sc in ring, join with sl st to the first sc.

Round 2: Ch 1, sc in same sc as join, ch 3, skip next sc, [sc in next sc, ch 3, skip next sc] 4 times. Join to first sc.

For the petals:

Round 3: [(sl st, ch 3, 9dc) all in the ch 3 ring space. Turn.

Ch 1, sl st in first dc, skip next 2 dc, 3 hdc in next dc, hdc in the next 2 dc, 3 hdc in the next dc, skip the next 2 dc, sl st in the top of ch 3. Ch 3, sl st in the same ch 3 ring of the base. Ch 1, turn.

Sl st in the same ch 3 space that the petal was worked in. Sl st in the next sc (in the base, to the left of the petal)] Repeat for 5 petals.

Finish off and weave in ends.

For the center:

Ch 4. Join with slip stitch to the first ch to form a ring.

[Ch 3, sl st in the next sc.] around.

Finish off and weave in ends.

Assembly:

Attach the center to... well, the center of the flower. You can sew it together, or you can simply glue it with a hot glue gun. I glued mine.

Now use your hot glue gun to attach the flower to the hair clip.

Finished!

Flower B:

(the yellow-orange one)

For the base:

Ch 4. Join with slip stitch to the first ch to form a ring.

Round 1: Ch 1, 10 sc in ring, join with sl st to the first sc.

Round 2: Ch 1, sc in same sc as join, ch 3, skip next sc, [sc in next sc, ch 3, skip next sc] 4 times. Join to first sc.

Round 3: [Ch 5, sc in the next sc] Repeat around. (So, basically you have a ch 3 space with a ch 5 space above it. In a few minutes, the ch 5 will be pushed to the back while you work in the ch 3 spaces. After those are worked, you will work the ch 5 spaces. I hope this makes sense to you!)

For the petals:

Round 3: (working in the ch 3 spaces/loops) Ch 1 [sl st in the next ch 3 loop, ch 3, dc, ch 3, dc, ch 3, sl st in the same ch 3 loop.] Repeat around.

Round 4: (working in the ch 5 spaces/loops) [sl st into the ch 5 loop behind the next petal, ch 3, dc, ch 3, dc, ch 3, sl st into the same ch 5 loop.] Repeat around. Finish off and weave in ends.

For the center:

Ch 2, sc 5 in 2nd ch from hook. Join with sl st.

Ch 1, [sc, ch 3, sc] in each sc around. Join.

Finish off and weave in ends.

Assembly:

Attach the center to... well, the center of the flower. You can sew it together, or you can simply glue it with a hot glue gun. I glued mine.

Now use your hot glue gun to attach the flower to the hair clip.

Finished!
